Daily Warm-Ups: Vocabulary

The suffix *-ology* means “the science of” or “the study of.” For example, *cardia* means “heart,” so *cardiology* means “the science of the heart.” Write the definitions of the *-ology* words below.

astrology—stars _____

biology—life _____

entomology—insects _____

zoology—animals _____

With a classmate, make a list of as many *-ology* words as you can.
