Introduction

Walch Education's *85 Lesson Launchers* series is a wonderful way to turn extra classroom minutes into valuable learning time. Use the 85 quick activities at the beginning of class to focus students on instruction; near the end of class to make good use of transitional time; in the middle of class to shift gears between lessons—or whenever you have minutes that now go unused. *85 Lesson Launchers* are a natural lead-in to more in-depth activities.

85 Lesson Launchers are easy to use. Simply photocopy the day's activity and distribute it. Or, make a transparency of the activity and project it on the board. Use the activities for extra credit points or to check your students' skills as they are acquired and built over time.

85 Lesson Launchers are a convenient and useful supplement to your regular class lessons. Make every minute count!
